

ENVIRMO CITY

While designing ENVIRMO CITY we, Mastro Realty Developers LLP had a vision to provide fresh and settled view of life to the residents.

ENVIRMO CITY is envisioned to create a joyous community of like-minded people who appreciate luxurious living amidst nature's beauty and pollution free surroundings. It is Kolkata's first truly integrated suburban township of Plots spread across 100 bighas of sprawling land. The township puts a lot of emphasis on simplifying life by bringing to you the comforts of modern living in a community environment where happiness is pursued in every square foot. Come and experience how it feels to be a part of ENVIRMO CITY, an area within a close proximity Newtown Rajarhat Smart City.
